## 2016 Reserve Riesling

Estate Grown and Bottled; Finger Lakes AVA

Fulkerson Winery's Riesling wines are all estate grown on a mixture of soils. Each cuvee is treated with the utmost respect to pull the character out of the soil and showcase the terroir of that particular

vineyard site. With five Riesling cuvées, Fulkerson Winery can offer a Riesling for every occasion.

*"A steely dry acidity with crisp citrus, warm nectarine and smooth ripe peach flavors. Pair with roast chicken, turkey, crisp salads and your favorite seafood."*

## Viticultural Notes

Grape: Riesling

Harvest Date: October 15, 2016

Grown on one of the best sites on our farm, the Riesling planting which is utilized for our Reserve cuvee is situated on Howard gravel soil. The vineyard is situated on the upper third of the original 1805 family farm, and the light Howard soil series gives a light citrus nose and flavor, with good acidity, while the cool site with good morning

sun limits disease pressure, yielding clean fruit.
