## *Sparklin' Diamond*

Estate Grown; Finger Lakes AVA

Diamond is a well-balanced native that we take pride in growing. This is the first "sparkling" wine that we have produced and are extremely happy with the result. A balanced, easy-

drinking wine with good fruit and a smooth finish.

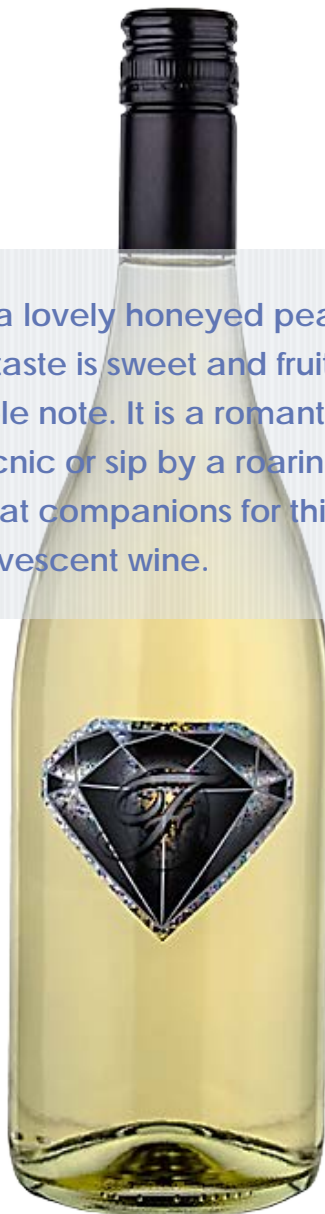

"This native variety gem has a lovely honeyed pear and tropical fruit aroma. The taste is sweet and fruity and ends on a refreshing apple note. It is a romantic wine, perfect to bring to a picnic or sip by a roaring fire. Cheese and fruit are great companions for this bright-flavored effervescent wine.

## *Viticultural Notes*

Grape: Moore's Diamond

Harvest Date: Sept. 15, 2016

The vines fare well in the lesser quality soils on our top-most farm and can handle slightly cooler winter temperatures making this an ideal candidate for the glacial soils. Vines are mid to heavy ripening yielding 8-10 tons per acre with good structure and a balanced acidity.

## *Winemaking Notes*
